BUTTON UP JACKET

KEEPS YOU COOL AND PROTECTED ON THE JOB

Working in a hot climate and rather not wear a full coverall? The DuPont Tyvek Jacket is the answer. No need to wear long sleeves all day—just put the jacket on and get to paint spraying. This easy to wear coat blocks liquids and airborne particles yet is breathable for all day comfort. Giving your legs freedom on the job. The low-static material is durable and protects even when abraded. Keep debris off your final product. The low-linting fabric is ideal for paint applications. Water and moisture resistant. Also great for shop use and small projects.

- PROTECTS UPPER BODY FROM SPILLS + SPLATTER
- FREES UP LEGS FOR BETTER MOVEMENT
- FASTER ON + OFF
- BUTTON UP JACKET WITH 2 POCKETS
